

School Creed

Kaya boodja, kaya woorl, kaya ngaan, kaya koolangka

This is North Cott, 3 pines we wear

With Excellence, Respect, Integrity and Care

In 1913, our school was founded

With values aplenty and friendships grounded

As past students go and new ones come

Our school grows, shining like the sun

We strive for success, there is no voice too small

We protect Noongar land and always stand tall
