Guest speaker(s):

Summary of discussions

- Discussed the importance of recognising high achievement in teaching and learning at North Cott and how we could get recognition for that in the future.
- Discussed OSHC service and the reduced hours available due to low uptake of before school care. Discussed the need for OSHC and how the board could support engagement in the community.
- Board members reflected on the professional learning they attended alongside North Cottesloe teachers, leaders and education assistants to gain an insight and understanding of how students learn and why we teach with our specific instructional model. Board members valued this PL and saw the engagement from our staff.

Principal's report

- Outlined the strategic direction of the school for the next three years, which would underpin the new business plan. Key areas of focus – High Academic Achievement, Students at Educational Risk (including gifted and talented), School Culture. These areas are broken down into key targets and initiatives that would be implemented over the next three years with direct impact on educational outcomes.
